

PHOTOGRAPHY GUIDELINES

Uploading an image is quick and easy. Images should follow the following measurements and format:

A diagram illustrating image upload guidelines. On the left, a grey rectangular placeholder represents an image. Above the placeholder, a double-headed arrow indicates a width of "322 pixels wide". To the right of the placeholder, a vertical double-headed arrow indicates a height of "212 pixels wide". To the right of the image placeholder, the text reads: "Formats: JPG or GIF." followed by a paragraph: "Please use highest possible quality setting for we would rather have the ability to reduce the quality settings for webb use. If it is too low, we will not be able to make it better. If it looks good to you, it should be fine."
